LIVE UNITED

United Way
of Broome County

A FEW DOLLARS A WEEK CAN HELP CHANGE LIVES.
YOUR DONATION MAKES ALL THE DIFFERENCE.

WHY LIVE UNITED?

Because together we can make a greater impact. Through the relationships we build with you, we have the influence and connections to make sustainable change a reality. By collaborating with key stakeholders and community partners, United Way can address the basic needs of our most vulnerable populations while finding the solutions to our community's strategic priorities that address core issues in the areas of health, education and financial stability. At the heart of United Way of Broome County's vision is a community of interconnected individuals, groups and institutions, working together, for the benefit of all.

WHERE DOES MY DONATION GO?

United Way of Broome County is your dollars supporting community projects and programs. Every donation counts. **100%** of your donation goes directly to community projects and programs. Check out our website for the *Impact Calculator* to see just how much your donation is helping your neighbors.

HOW ELSE CAN I MAKE A DIFFERENCE?

We coordinate hundreds of volunteer projects for both individuals and groups. Our Annual Day of Caring brings together volunteers to work side by side with a number of community focused organizations. Whether you are an individual or looking for a group project for your team, United Way can provide options for long term and short term opportunities. For more information, please contact Joni Kaiser at jkaiser@uwbroome.org.
