

BUILDING TRADES/ PLUMBING

C A R E E R S

Step ahead!

Get the skills and experience that will put you a step ahead, be it in college or a rewarding career.

Learn safe and proper use of power and hand tools

Learn fundamentals of residential plumbing

Learn basic skills in carpentry, masonry and electricity

"The Building Trades/Plumbing program has inspired me to take the career in the trades. It has taught me that anything is possible and showed me the hands-on experience with power tools. I love the class because it showed me that my mind and my hands can make a difference and get me ready for my future career."

- Zebulon Neer, 2024
