

BROOME-TIOGA BOCES CTE SUMMER CAMPS

The BOCES CTE summer camp is a project-based learning camp encouraging students to gain interest in different career paths offered at Broome- Tioga BOCES!

WHAT WILL MY CHILD LEARN FROM CTE?

Exposer and interest in trade jobs

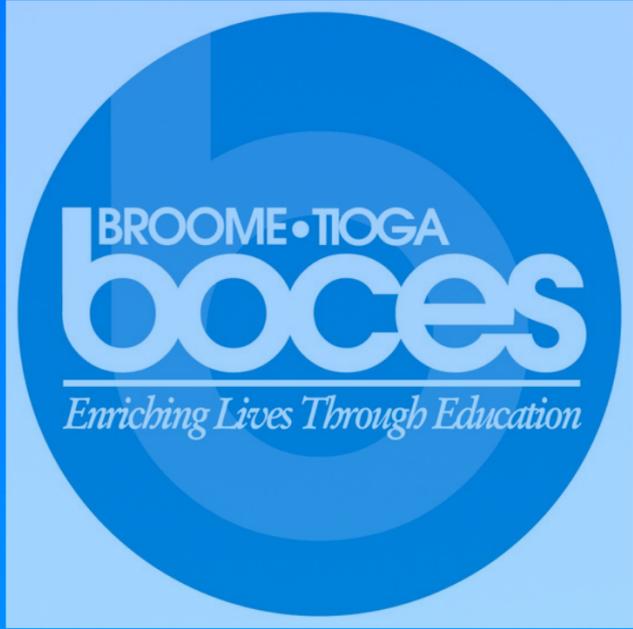

- Challenges students with different tasks while implementing interest in different career technical education classes that Broome- Tioga BOCES offers.

Inneract and gain new friendships

- Through the CTE summer camp students can interact and build new friendships with kids and teachers from other school districts!

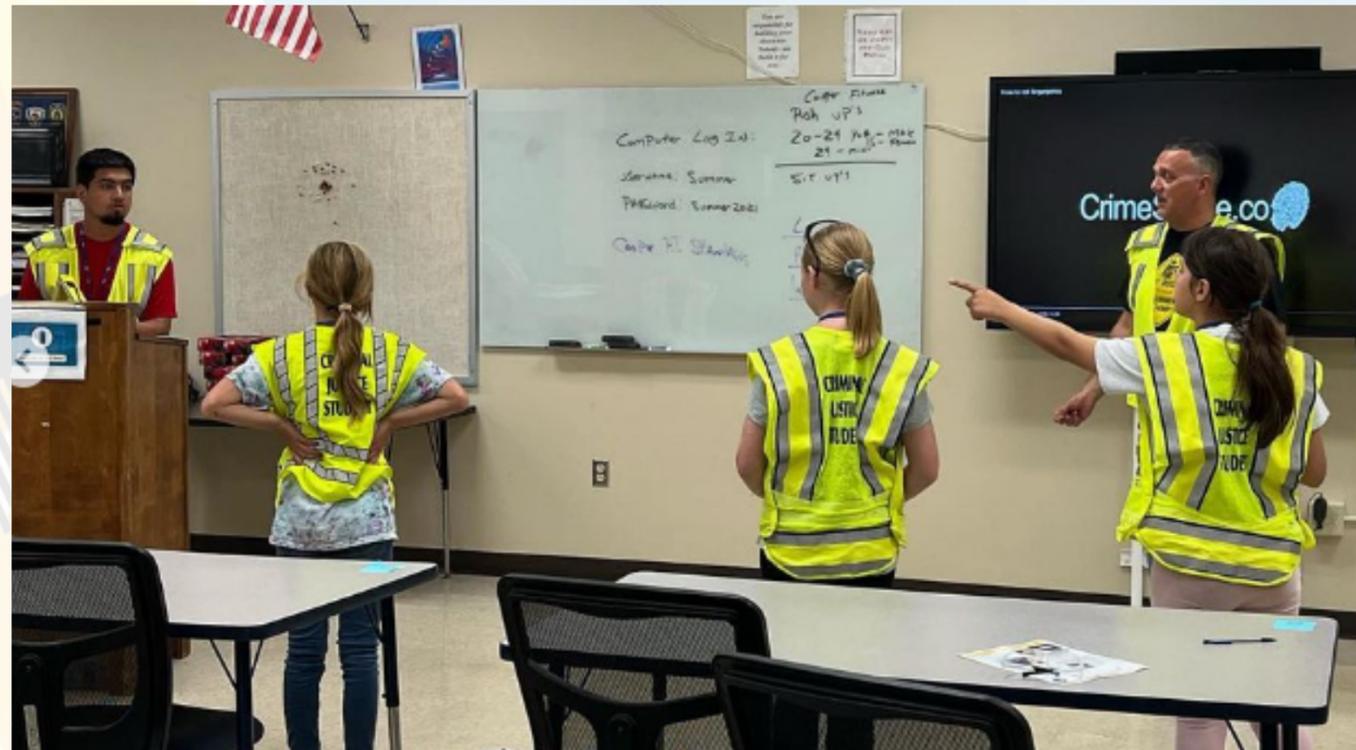

Learn basics skills with different tools

- While going through the CTE camp, students learn the basics of how to use certain tools and the importance of safety related to career technical education classes.

"Great way to spend part of my summer and I learned about so many different careers!"

questions?

If you have any questions please contact your Childs home district or...
