Our program

Evertech Academy is a full-day alternative education program that begins in 9th grade and continues through graduation. The academy offers students the opportunity to pursue a CTE program simultaneously with a regents diploma. Students participate in half-day CTE project-based

learning courses in 9th and 10th grades and attend traditional half-day CTE courses in 11th and 12th grades. The academy provides a tight-knit, supportive high school experience offering students a highly individualized education.
