with students, teachers and the community.

Our program

Evertech Academy is a full-day*, career and technical education (CTE) program that begins in 9th grade and continues through graduation. The academy offers students the opportunity to pursue a CTE program simultaneously with a Regents diploma. Students participate in half-day CTE

project-based learning courses in 9th and 10th grades and attend traditional half-day CTE courses in 11th and 12th grades. The academy provides a tight-knit, supportive high school experience offering students a highly individualized education.

Academy events

- SkillsUSA leadership events
- Habitat for Humanity community service initiative
- Senior trip
- Talent show
- Winter celebration
- Field trip opportunities
- Student success assemblies
- End-of-year picnic

Explore...

project-based learning using state-of-the-art technology.
