We're excited to bring you the first-ever graduation issue of BOCES Life. From late May to late June, we celebrate our students in many ways. This issue includes highlights of graduations and certificate ceremonies across all our programs. You'll see special moments from our graduations at PALS/MOVE/Oak Tree, West Learning Center, East Learning Center, Project SEARCH, and Evertech Academy, as well as the CTE certificate ceremony and LPN graduation. We're pleased to share these unforgettable moments with you. Enjoy!
