

**Broome-Tioga School Boards Association  
Special Topics Workshop  
Update on Regional Mathematics Initiative**

---

Wednesday, April 30, 2025  
Broome-Tioga BOCES  
Allen D. Buyck Instructional  
Support Center  
Conference Room A  
5:30 p.m. Dinner provided

This session will provide an overview of the regional math goal and focus areas for 24-25. Information about regional steps taken and resources provided to districts will be shared. Participants will have an opportunity to observe quality teaching practices in mathematics to better understand their role in supporting district mathematics programs in Grades 3-8.
