

eDoctrina Log-In Instructions for Students

Step 1: Visit www.edoctrina.org

Step 2: Select “eDoctrina Users Login” on top right hand side of screen
screen: 

Step 3: Select your district and school

The screenshot shows a login form with the following fields and buttons:

- District: dropdown menu with "--any--" selected
- School: dropdown menu with "--any--" selected
- * Login: text input field containing "login"
- * Password: text input field containing "password"
- Forgot password? button
- Login button

Step 4: Student Log-in is as follows:

Students capitalized first initial of first name, followed by Students last name (first letter of last name must be capitalized), and last four of their school student ID #.

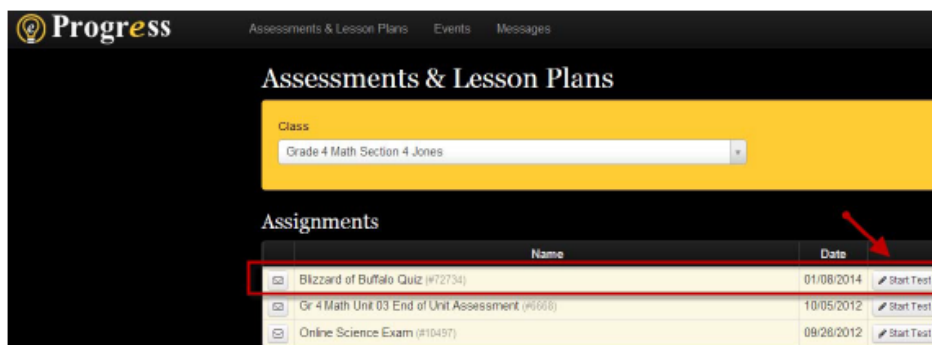

Ex. JSmith0123

Step 5: Student Password is as follows:

Students capitalized first initial of first name, students capitalized first initial of last name, and last four of their students ID #.

Ex. JS0123

Step 6: Select the assessment from the assessment list and then select Start Test.

The screenshot shows the Progress Assessments & Lesson Plans interface. The "Class" dropdown is set to "Grade 4 Math Section 4 Jones". The "Assignments" table is as follows:

Name	Date	Start Test
Blizzard of Buffalo Quiz (#72734)	01/08/2014	
Gr 4 Math Unit 03 End of Unit Assessment (#666)	10/05/2012	
Online Science Exam (#10497)	09/26/2012	

A red arrow points to the "Start Test" button for the "Blizzard of Buffalo Quiz" assessment.
