The Cloud Cafe'

Festive Day at The Cloud Cafe'

The VLA Cloud Cafe is a great place that you must have heard of by now. But what is The Cloud Cafe? The Cloud Cafe is a place where the whole student body can come together and have fun! What kind of fun? Loads of fun with online board games, specialty holiday days, bring your pet to lunch days, joke shares, and just hanging out. We laugh and enjoy our time socializing and being a community. We are introducing more games as time goes on. We would love your ideas, and for you to join us. Come check out the Cloud Cafe and hang out with us Fridays at 11 AM. We sometimes go into breakout rooms for mini games or just hang out as a whole. I really enjoy going, and I think you would too!!! Hope to see you at the next Cloud Cafe.
